The Indianapolis-Marion County Public Library Board met electronically via Zoom and/or telephone on Monday, April 26, 2021 at 6:35 p.m., pursuant to notice given in accordance with the rules of the Board.

1. Call To Order

Judge Salinas called the meeting to order. In the absence of Mr. Biederman, Ms. Payne acted as Secretary.

2. Roll Call

Members present electronically: Mr. Bigsbee, Dr. Murtadha, Ms. Payne, Rev. Robinson and Judge Salinas.

Members absent: Mr. Biederman.

Judge Salinas then mentioned that he wished to express his gratitude to the Library's staff members. As everything begins to come back to life, he thanked them for everything they continue to do on a daily basis for the Library and its patrons.

3. Public Comment and Communications

In view of the extreme emergency facing our city, and in keeping with the Executive Order issued by the Governor, the public was not invited to physically attend the meeting but had the ability to view/listen and/or submit a question/comment to the Regular Meeting via a live stream YouTube link.

At this time, a recent comment received from a patron via the Library's website was read into the record as follows:

Comment Submitted By:

James Weinmann

When the library has an online event like to book discussion, it would be nice to have it recorded and available for access for maybe a week after the event. That way someone who was not able to participate live, or tried to register after registration was closed, could still benefit from the event.

4. Approval Of Minutes: Executive Session, Regular and Special Meetings

a. Regular Meeting, March 22, 2021

The minutes from the Regular Meeting held March 22, 2021 had been distributed to the Board.

The minutes were approved on the motion of Ms. Payne, seconded by Rev. Robinson, and the following roll call vote:

Mr. Bigsbee – Abstain Ms. Payne – Aye
Dr. Murtadha – Aye Rev. Robinson – Aye
Judge Salinas – Aye

COMMITTEE REPORTS

5. Finance Committee (Patricia A. Payne, Chair; Raymond Biederman, Curtis Bigsbee)

a. Report of the Treasurer – March 2021

Ije Dike-Young, Chief Financial Officer, discussed the Report of the Treasurer that had been distributed to the Board.

She mentioned that the Library had received its first property tax advance in April. Our revenues year-to-date are approximately the same percentage-wise as 2020. Our interest income is down. Due to the recent move to fine free, that income stream decreased. Expenditures so far are a little less. For example, we have fewer expenses for repairs and maintenance.

Ms. Dike-Young announced that IndyPL had received the Government Finance Officers Association's Distinguished Budget Presentation Award. This is the first time the Library has won this Award.

The Board members congratulated Ms. Dike-Young and her staff for receiving the Award.

Ms. Payne made the motion, which was seconded by Dr. Murtadha, that the Report of the Treasurer be filed for audit.

The Report of the Treasurer was approved for filing for audit on the following roll call vote:

Mr. Bigsbee – Aye
Dr. Murtadha – Aye
Rev. Robinson – Aye
Judge Salinas – Aye

6. Diversity, Policy and Human Resources Committee (Curtis W. Bigsbee, Chair; Patricia A. Payne, Rev. T. D. Robinson)

a. Presentation on Diversity, Equity, and Inclusion at IndyPL – Q1 Updates

Jessica Moore, Diversity, Equity and Inclusion Officer, gave the Presentation. Details were shared about the Library's efforts surrounding supplier diversity. She would like each individual department to track supplier diversity. A new tool called EXB Data Tracking Dashboard will be utilized to streamline the data collection process going forward. She said that it is important to look beyond the numbers and work with vendors that share our organizational values. Ms. Moore talked about the IndyPL Equity Council, community engagement and partnerships that can help us achieve our goals.

b. **Briefing Report – IndyPL Diversity Overview**

Katherine Lerg, Human Resources Director, provided details about the Library's 2020 Diversity Overview. The report included information about IndyPL's progress on its staffing diversity goals. Ms. Lerg pointed out that we are slowly increasing the number of male staff. Indeed, a new recruitment package being utilized by the Library, along with LinkedIn, will help identify and attract potential staff members from underrepresented groups. It was also noted that the demographics of people who are promoted tend to reflect current staff demographics so the Library will be proactive and thoughtful when recruiting and promoting.

There were several questions from the Board members in response to Ms. Lerg's presentation. In particular, Dr. Murtadha noted that she is familiar with the use of LinkedIn and Indeed as recruitment platforms but her concern is about the culture at the Library. Do we have a culture where people want to stay? She requested further discussion on the matter.

7. Facilities Committee (TBD, Chair; Curtis Bigsbee, Dr. Khaula Murtadha)

a. Glendale Branch Replacement Project

Mike Coghlan, Manager, Facilities Projects, provided information about the Glendale Branch Replacement Project. Additionally, Kevin Montgomery with krM Architecture and Russell Lewis of Powers and Sons shared community input and design plans of the new branch. It was noted that the Budget for the building and site work is \$8,347,500 excluding fixtures, furniture and equipment. This work will be funded by the Series 2021 Bond Fund. Construction will begin in the Fall of 2021.

b. **Resolution 16 – 2021** (Authorization to Prepare Bidding Documents and Solicit Open, Public, and Competitive Sealed Bids for General Construction Services for the Glendale Branch Replacement Project)

After full discussion and careful consideration of Resolution 16 - 2021, the resolution was adopted on the motion of Dr. Murtadha, seconded by Mr. Bigsbee, to approve Resolution 16 - 2021, Authorization to Prepare Bidding Documents and Solicit Open, Public, and Competitive Sealed Bids for General Construction Services for the Glendale Branch Replacement Project.

8. Library Foundation Update

Rev. Robinson reviewed the information contained in the April 2021 Update.

News

The Foundation thanks the Indy Library Store for their nimbleness and adaptability. In March, the store held its second in-person sale during the pandemic. The staff adapted procedures based on what they learned from the first in-person sale and saw great results. Even more innovations are on the horizon. We applaud the Indy Library Store for maintaining a strong presence in light of a challenging environment.

We are excited to see the 2021 CEO Love Your Library Tour this year. We are encouraging our directors to attend their adopted branch library's stop.

We are in the final push for completing our fundraising goal for the Summer Reading Program. If you are interested in supporting this effort, or know of someone who might be, please contact Library Foundation President Roberta Jaggers at rjaggers@indyplfoundation.org.

b. Presentation on Shared eBooks for IndyPL and Marion County Schools (Axis 360)

Deb Lambert, Director, Collection Management, and Sarah Batt, Manager, Shared Systems, made the Presentation.

They discussed the PowerPoint document that had been included in the Board's packet. It was noted that the Library is shifting from providing e-books for youth on Overdrive and moving to Axis 360 instead. A small high demand and popular collection of crossover teen titles will continue to be available in Overdrive. The goal is to separate youth eBooks from adult eBooks for an age-appropriate safe experience, to establish a common and robust eBook platform shared across Marion County schools, and to grow the public library youth eBook collection where it can be shared with schools.

At this time, Charles Swink, the Media Director of Arsenal Technical High School, addressed the Board. He explained how Axis 360 is being used at Arsenal. He commented that the IndyPL collections and school collections are shared, and schools share their materials with us and each other. He noted that his students appreciate having access to library cards.

c. Briefing Report – Post-COVID Hours and Services

John Helling, Chief Public Services Officer, discussed the Report. He pointed out that as COVID trends improve, so will the number of patrons we allow into our branch locations. In May, our door count went from 37% to 50% capacity. In June, we plan to restore evening services on Mondays and Tuesdays. In September, we will restore Sunday services at select locations.

d. Dates for 2021 CEO Tour

Ms. Nytes invited everyone to visit her during her upcoming CEO Tour. She is stopping by every branch location throughout the month of May and wants to hear from patrons and community members to see how the Library is doing, how we can better serve the community and to share our new Strategic Plan. There is an online session planned for those individuals who prefer to participate from home on Tuesday, May 25, 2021. The full schedule for this year's Tour is located on the Library's website.

INDIANAPOLIS-MARION COUNTY PUBLIC LIBRARY ELECTRONIC COMMUNICATIONS MEETINGS POLICY

Purpose

The 2021 Indiana General Assembly amended Indiana Code § 5-14-1.5-3.5, authorizing the members of the governing body of a public agency of a political subdivision, such as the Library Board of the Indianapolis-Marion County Public Library (the "Board") or a Committee thereof, who are not physically present at a meeting of the governing body to participate in meetings of the governing body by electronic means of communication if all of the requirements under I.C. § 5-14-1.5-3.5 are met, including the requirement that the governing body adopt a policy to govern participation in the governing body's meetings by electronic communication.

This Electronic Communications Meeting Policy (the "Policy") is intended to comply with the aforementioned statutory requirements and will provide for the participation in and the conducting of meetings where electronic communication is utilized by Members of the Board or a Committee of the Board who are not physically present at the meeting of the Board or Committee.

Applicability

This Policy applies to all meetings of the Board or a Committee thereof, pursuant to Indiana's Open Door Law, in which any Member of the Board or Committee participates electronically, subject, however, to the following exception: A Board Member or Committee Member may not participate in a meeting thereof by electronic means of communication *if* the Board or Committee is attempting to take final action to do any of the following:

- (1) Adopt a budget;
- (2) Make a reduction in personnel;
- (3) Initiate a referendum;
- (4) Establish or increase a fee;
- (5) Establish or increase a penalty;
- (6) Use the Board's eminent domain authority; or
- (7) Establish, raise, or renew a tax.

Accordingly, if the Board or Committee is attempting to take final action to do any of the foregoing at a particular Board meeting or Committee meeting, the following Policy is <u>not</u> applicable and a Board Member or Committee Member may <u>not</u> participate in such a meeting by electronic means of communication under Indiana Code § 5-14-1.5-3.5.

Policy

While physical attendance of Board Member and Committee Members is always preferable to participation by electronic means of communication, this Policy will govern a Member's participation by

electronic means at times in which physical attendance may not be possible or practical or is otherwise overly burdensome.

- **A. Minimum Physical Participation.** At any meeting of the Board, at least four (4) Board Members must be physically present at the place where the meeting is conducted. Likewise, at any meeting of a Committee of the Board, at least fifty percent (50%) of the Committee Members must be physically present at the place where the meeting is conducted.
- B. Permitted Electronic Means of Communication. A Board or Committee Member not physically present at a respective meeting thereof may participate in the meeting by any electronic means of communication so long as that electronic means of communication allows:
 - (1) All Members participating in the meeting to simultaneously communicate with each other; and
 - (2) All members of the public to simultaneously attend and observe the meeting
- C. Treatment of Members Participating by Electronic Means. A Board or Committee Member who participates in a respective meeting by a permitted electronic means of communication shall be considered present for purposes of establishing a quorum. However, a Board or Committee Member who participates in a respective meeting by a permitted electronic means of communication may participate in any final action (i.e., voting) taken at the meeting only if the Member can be heard and seen.
 - Example #1: Board Member "A" participates in a meeting of the Board by a permitted electronic means of communication. The permitted electronic means of communication utilized by Board Member "A" is telephone. Board Member "A" is considered present for purposes of establishing a quorum at the Board meeting. However, because Board Member "A" can be heard but cannot also be seen, Board Member "A" cannot vote or otherwise participate in any final action taken at the meeting.
 - Example #2: Board Member "A" participates in a meeting of the Board by a permitted electronic means of communication. The permitted electronic means of communication utilized by Board Member "A" is Zoom. Board Member "A"'s microphone is turned on and functioning but she does not have her camera turned on while participating in the meeting via Zoom. Board Member "A" is considered present for purposes of establishing a quorum at the Board meeting. However, because Board Member "A" does not have her camera turned on while participating via Zoom and thus can be heard but cannot also be seen, Board Member "A" cannot vote or otherwise participate in any final action taken at the meeting.
 - Example #3: Board Member "A" participates in a meeting of the Board by a permitted electronic means of communication. The permitted electronic means of communication utilized by Board Member "A" is Zoom. Board Member "A"'s microphone and camera are both turned on and functioning while participating in the meeting via Zoom. Board Member "A" is considered present for purposes of establishing a quorum at the Board meeting. Additionally, because Board Member

"A" can both be heard <u>and</u> be seen, Board Member "A" may vote and otherwise participate in any final action taken at the meeting.

D. Quorum. The Board or Committee must still have a quorum of Board or Committee Members for the meeting in order to transact business of the Board or Committee. A Board or Committee Member who participates in a respective meeting by a permitted means of electronic communication shall be considered present and counted for purposes of establishing a quorum.

(2)

- **E. Roll Call Voting.** All votes of the Board or Committee during a respective meeting where any Member participates by permitted electronic means of communication shall be taken by roll call vote, in which the name of each Member of the Board or Committee will be called individually and requested to cast their vote aloud.
- F. Limitations. In addition to the foregoing, the following requirements are also applicable:
 - **a. Annual Minimum Physical Participation.** Each Board or Committee Member must physically attend at least fifty percent (50%) of the respective meetings of the Board or Committee held in a calendar year *unless* the Member's absence is due to any of the following:
 - 1. Military service;
 - 2.Illness or other medical condition;
 - 3. Death of a relative; or
 - **4.**An emergency involving actual or threatened injury to persons or property.
 - **b. Maximum Electronic Participation.** No more than three Board Members may participate by electronic means of communication at any one meeting of the Board.
 - c. Notice of Intent to Participate by Electronic Means. Except in the case of a meeting called to deal with an emergency under I.C. § 5-14-1.5-5(d), a Board Member or Committee Member who intends to participate in a meeting by electronic means of communication must provide notice of such intent, in writing (email is acceptable), to the President of the Board or the Chair of the Committee at least twenty four hours prior to the time of the Board meeting or Committee meeting, exclusive of weekends and holidays, to allow adequate arrangements to be made for the Member's participation by electronic means.
 - d. Consecutive Meetings. A Board or Committee Member may attend two (2) consecutive meetings (a "set of meetings") by electronic means of communication. However, a Board or Committee Member must physically attend at least one (1) meeting between sets of meetings that the Member attends by electronic means of communication unless the Member's absence is due to any of the following:
 - **1.** Military service;
 - 2.Illness or other medical condition;
 - 3. Death of a relative; or
 - **4.**An emergency involving actual or threatened injury to persons or property.

G. Technological Failures.

- a. For purposes of this section, a "Technological Failure" means a technological failure in an electronic means of communication that disrupts or prevents either (i) the simultaneous communication between a Board Member or Committee Member who is not physically present at the respective meeting and the respective Board or Committee; or (ii) a member of the public who is not physically present at the meeting from attending or observing the meeting.
- **b.** A Technological Failure does not prevent the Board or Committee from conducting the meeting or affect the validity of an action taken by the Board or Committee at the meeting so long as the sum of:
 - (1) The Members of the Board or Committee physically present at the place where the meeting is conducted, and
 - (2) The Members of the Board or Committee participating be electronic means of communication without Technological Failure

establishes the requisite quorum of the Board meeting or Committee meeting and, if a final action is taken at the meeting, satisfies the requisite voting requirement of the Board or Committee.

- **H. Meeting Memoranda.** For any meeting in which a Board or Committee Member participates by an electronic means of communication, the requisite memoranda of the meeting as required by I.C. § 5-14-1.5-4 must both:
 - (1) State the name of each Member who:
 - 1. Was physically present at the place where the meeting was conducted;
 - **2.**Participated in the meeting by using any electronic means of communication; and
 - 3. Was absent.
 - (2) Identify the electronic means of communication by which:
 - 1. Members of the Board or Committee participated in the meeting; and
 - **2.**The public attended and observed the meeting (if the meeting was not held in executive session).
- I. Other Obligations Unaffected. Nothing in this Policy affects the Board/Committee's right to exclude the public from an executive session in which a Member participates by electronic means of communication. Further, nothing in this Policy relieves the Board or Committee from its obligations under other provisions of the Indiana Open Door Law, Indiana Code § 5-14-1.5 et seq.

Subject: Board By-Laws Amendment

Recommendation: Approval of Amendment

Background:

The 2021 Indiana General Assembly passed legislation approving a degree of electronic participation in public meetings by members of governing bodies of political subdivisions, which includes the Library. For the Library Board to implement or adopt the statutorily authorized electronic meeting provisions, the Library Board must implement a policy consistent with the statute providing for electronic meeting participation by Board Members. In addition to adopting the proposed Electronic Communication Meetings Policy, in order to implement the policy, certain provisions of the Library Board By-Laws need to be amended to recognize the authorization of electronic meeting participation by Board Members. The attached By-Laws of the Indianapolis-Marion County Public Library include amendments to Article VII Sections 4 and 5 to reflect changes to update the By-Laws to recognize Board member electronic meeting participation.

From: Facilities Management Services Area

Sharon Smith, Facilities Director

Subject: Resolution 21-2021

Authorization to Prepare Bidding Documents and to Solicit Open, Public, and Competitive Sealed Bids for Construction Services for the Fort Ben Branch

Project

Recommendation:

The IndyPL Board Facilities Committee presents for Board approval the attached action (Resolution 21-2021) to authorize IndyPL staff, architects, Ratio Design, and construction manager, The Skillman Corporation and Davis & Associates Team, to prepare bidding documents to solicit open, public, and competitive sealed public bids for the Fort Ben Branch Project per Statute IC § 5-32 and IC § 36-1-12.

Background:

Ratio leads the design team for the Fort Ben Branch Project. We are moving forward to have the Project ready to begin construction in the fall of 2021 per the schedule.

The Skillman/Davis Team, working closely with the architect, has prepared a construction estimate based on the design and are working together to ensure the Project will be on budget.

A Construction Manager as Constructor ("CMc") delivery method will be used for the Project.

Per Statute IC § 5-32 the CMc must publicly bid all first tier subcontracts per the Public Works Statute IC § 36-1-12, including requirements for public notice, contractor self-performance of work, liability insurance, qualifications, E-Verify, employee training, records retention, insurance, and bonding. The Project also requires compliance with Requirements for Contactors on Public Works Projects IC § 4-13-18 including contractor's drug testing of employees.

Exterior View with Rendered Exterior Surfaces Looking Northeast from the Corner of 56th Street and Melner Road

The Project will be bid with efforts directed to meet the utilization goals established by the IndyPL Board in Resolution 28-2020:

- Minority-Owned Business Enterprise (MBE): fifteen percent (15%);
- Women-Owned Business Enterprise (WBE): eight percent (8%);
- Veteran-Owned Business Enterprise (VBE): three percent (3%); and
- Disability-Owned Business Enterprise (DOBE): one percent (1%).

For a Project of this size, complexity, and timing, we anticipate approximately 14 first tier subcontract bid packages. The bid packages and specific scopes of work will be determined by The Skillman/Davis Team during the preparation of the bidding documents. Examples of the first tier subcontractors are site work, concrete, structural steel, exterior enclosure, roofing, mechanical, plumbing, electrical, interior construction, and general trades.

Because of the turbulent market for structural steel, The Skillman/Davis Team will be issuing an early bid package for secure the earthwork and utilities, building concrete and structural steel as early as possible.

Following the requirements of IC § 5-32 the use of the CMc delivery method allows for enhanced bidding and contracting efforts for local business development.

- Prior to the bidding phase The Skillman/Davis Team will actively engage with vendors to ensure open, competitive, and public bidding of the Project with the target of exceeding IndyPL utilization goals.
- During the bidding phase of the Project the Notice to Bidders will be sent to hundreds of vendors in The Skillman/Davis Team database(s) and to vendors known to IndyPL to be interested in providing services to IndyPL.

The Project schedule targets starting the work in the fall of 2021with the work completed in time for a Quarter 1 2023 opening.

Fiscal Impact:

The Skillman/Davis Team shall use the lowest, responsible, and responsive first tier bidders pursuant to IC § 5-32 and IC § 36-1-12 in the preparation of their Guaranteed Maximum Price.

Board Briefing Report

9b

To: IMCPL Board Meeting Date: May 24, 2021

From: John Helling

Chief Public Services Officer

Subject: Update on Security at IndyPL

<u>Summary:</u> In the Fall of 2020, the Safety and Security function of the library moved from the Facilities Department to the Public Services department. This report summarizes the goals of that move and the progress we have made and have yet to make.

Goals of Safety and Security move:

- 1. Provide safety and security using in-house guard staff as opposed to contract staff
- 2. Hire specialized positions to address location-specific issues, such as after-school specialists at Pike and Warren and a social worker at Central
- 3. Improve our ability to understand who is being impacted by security incidents at the library through better reporting and data gathering

Goal 1 Overview: The largest function of Safety and Security as experienced by the patrons of the library are their daily interactions with our security guards, which for several years have been provided by contracted security companies. This has occasionally resulted in the library's policies being enforced in a manner that might be too firm or too lax and would need to be calibrated. For example, we have had conversations in the past about how best to address sleeping patrons, and when to ask patrons to leave versus when to try to de-escalate a situation. The frequency of these "misalignments" was such that eventually the library became interested in controlling these interactions more directly.

We decided to address this by replacing contract guard staff with in-house guard staff. We hope that directly employing our own guard staff will generate a higher degree of buy-in and engagement with the library and its mission. In other words, we hope to achieve a culture change in the way we approach security interactions, and to employ guard staff who have an understanding of and a certain amount of empathy for the situations that some of our patrons might find themselves in. It was our hope to pilot these in-house guards at three locations in the first quarter of the year but we have not been successful in filling all those positions. To date we

have two positions filled, and West Indianapolis and Martindale-Brightwood. The feedback we have received suggests that our job description may not be accurately conveying the role we are asking these staff to play in branch operations. Because filling these positions has taken longer than we anticipated, we would expect to continue at least partially to employ contract security staff into 2022.

Goal 2 Overview: Historically, the library has experienced a high number of incident reports at Pike and Warren Branches. Both of these branches are in very close proximity to high schools and experience a high volume of after-school traffic. Teen patrons often use the library very different than patrons of other ages, which can create a variety of tensions. By hiring after school specialists to program specifically to these audiences, the library hopes to provide constructive activities for these teen patrons to engage in. Prior to the pandemic, both of these branches were starting to see successful programs take place and relationships were developing. In the post-COVID environment, these branches have not yet seen their after-school traffic recover to pre-pandemic levels.

At Central Library, we often see a high number of library patrons who are experiencing homelessness. We partnered with the IUPUI School of Social Work to conduct a needs assessment in this area, and to pilot providing social services directly to Central library patrons. This partnership was very successful and convinced us of the need to hire our own social worker full-time. I am happy to share that we successfully hired a social worker at Central library earlier this month.

Goal 3 Overview: Our current incident reporting system is unable to produce detailed reports using disaggregated data to show us (for example) if patrons of certain races are overrepresented in our security interactions. For example, incident and action data in multiple person incidents are not clearly assigned to the appropriate individuals in the current system. In short, the data structure limits our ability to obtain demographic data. For several months, we have been searching for an incident report product that could achieve this and we have identified a reasonably priced product that could produce data meeting our needs after some additional customization of the product and adjustments to our incident report creation process. We are currently working through the customizations and understanding of the applications data structure. If our requirements for these items can be met, we would move to testing and updating our practices.

Subject: Post-COVID Hours and Services

<u>Summary:</u> As vaccinations continue to roll out and (we assume) COVID trends in Indianapolis continue to improve, library administration has begun to plan for the restoration of hours and services that were paused over the course of the pandemic. We are making plans with the intention of resuming something close to full service at the approximate point that any staff person over the age of 16 will have had the opportunity to be vaccinated and develop immunity, which we predict will be in early June. This document outlines the steps we will take to return to full service. Note that we have consulted on all aspects of this plan with Dr. Caine and will continue to update the plan as new guidance emerges.

Overview: During the month of May, branches began to restore things like comfy seating, early literacy computers, and other items that we put into storage to enforce social distancing. We raised our headcount limit to 50% of our total capacity (we have operated at 37% capacity for the duration of the pandemic). Speaking generally we did not see these headcount limits being met.

In June, we plan to restore two days per week of evening hours for patron service – Mondays and Tuesdays. This is based on an evaluation of pre-COVID door count measurements to identify the hours of service that our patrons found most valuable. Pre-COVID, the library offered three days of evening hours per week but these were the lowest usage hours in our weekly schedule.

Also in June, we plan to restore some of our in-person programming related to our Summer Reading Program – all programming will, of course, comply with guidance put forth by the CDC and the city's health department.

Also in June, we will no longer restrict the number of patrons allowed in our buildings, and patrons will regain the ability to book meeting rooms and study rooms. In late June, Central will resume holding weddings and other larger events.

As of June 7, the city will no longer be enforcing a mask mandate for vaccinated people. Because the library will not be able to distinguish between vaccinated and unvaccinated patrons, we will effectively cease enforcing our mask mandate at the same time.

In September, we plan to restore Sunday service to Nora, Glendale, Eagle, Southport, Warren, Central, and The InfoZone. This is fewer Sunday branches than were offered to patrons pre-COVID. As with evenings, we have identified branches with Sunday hours that were either not well utilized or were in reasonably close proximity to other branches with Sunday hours.

As has been the case for the duration of the pandemic, we continue to monitor the COVID statistics for Indianapolis and we are prepared to adjust this plan if it becomes necessary. We have also been in close communication with Dr. Caine and have sought her feedback on all of the above.

Key takeaways:

- Evening hours being restored on Mondays and Tuesdays
- Sunday hours being restored at the above listed branches
